International Society of Biomechanics XXI Congress

Organizers:
- Taiwanese Society of Biomechanics (TSB)
- Taiwanese Society of Biomechanics in Sports (TSBS)
- National Cheng Kung University (NCKU)
- Taipei Physical Education College (TPEC)
- National Yang Ming University (NYMU)
- National Taiwan University (NTU)

VIII Biennial Footwear Biomechanics Symposium
Organizer:
National Yang Ming University

XI International Symposium on Computer Simulation in Biomechanics
Organizer:
National Cheng Kung University

International Society of Biomechanics
XXI Congress
1 - 5 July 2007 Taipei, Taiwan

- VIII Biennial Footwear Biomechanics Symposium
  27-29 Jun. 2007, Taipei, Taiwan
- XI International Symposium on Computer Simulation in Biomechanics
  28-30. Jun. 2007, Tainan, Taiwan
The ISB 2007 congress will accept papers in all areas of biomechanics for oral or poster presentation. We especially solicit papers in the following areas of interest:

- Anthropometry/Anthropology
- Bio-informatics
- Bioheat/Mass Transfer
- Biomaterials & Medical Devices
- Biorheology
- Bio-robotics
- Cardiovascular Biomechanics/Biofluid Dynamics
- Cell Mechanics/Engineering
- Clinical Biomechanics
- Dental Biomechanics
- Ergonomics
- Forensic Biomechanics
- Hearing Mechanics
- Hemodynamics
- Human Movement
- Injury Biomechanics/Impact Biomechanics
- Martial Arts/Gait & Locomotion
- Medical Vision and Optometry
- Microcirculation
- Microelectromechanical Systems (MEMS)
- Modeling Techniques/Animation
- Molecular Biomechanics
- Muscle Mechanics/Motor Control
- Neuromuscular Mechanics
- Neural Prostheses
- Oculomotor Mechanics
- Orthopaedic/Joint Mechanics/Bone Mechanics
- Occupational Biomechanics/Physical Therapy/Rehabilitation
- Respiratory Biomechanics
- Spine Biomechanics
- Sport Equipment Technology
- Sport Biomechanics
- Sport Technique & Analysis
- Sport Training
- Tissue Mechanics/Engineering

Abstract Preparation and Submission
1. Abstracts with a tentative title must be prepared as a PDF file for electronic submission.
2. Download the Word file (DOC) with formatting instructions. Please use this file as a template to prepare your abstract. If you wish to avoid using the Microsoft Word template, we also have a PDF file with formatting instructions.

Important Date for Abstract Submission
Early registration will be before: 30. Apr. 2007.

Tutorials
Muscle mechanics: Prof. Haruo Sugi, Saltmaken, Japan
Animal locomotion: Prof. Alberto Minetti, University of Milan, Italy
Biological inspired robotics: Prof. Robert Full, Univ. of California, Berkeley
Foot and ankle joint biomechanics: Prof. Sorie Siegler, Drexel Univ. Pennsylvania

For more information please visit
http://www.isb2007.org/

VIII Biennial Footwear Biomechanics Symposium
June 27-29 2007, Taipei, Taiwan

Call for Papers
Areas of Interest topics include:
- Influence of footwear on kinematics and kinetics of human movement;
- Influence of footwear and footwear design on human performance;
- Applications of research to design of clinical, casual & athletic footwear;
- Footwear in prevention and treatment of diseases of lower extremity;
- Role of footwear in the prevention and treatment of athletic injury;
- Shoe biomechanical properties and human perceptions;
- Measurement of footwear biomechanical and physical properties.

For more information please visit:

Email to:
nederick@exeter-research.com, or info@footwearbiomechanics.org

XI International Symposium on Computer Simulation in Biomechanics
June 28-30, 2007, Tainan, Taiwan

Call for Papers
Important Dates
Notification of acceptance: 15. Apr. 2007

For more information please visit:
http://conf.ndcu.edu.tw/TGCS111/
